A few early ideas

**How did we get
here?**

Phase One

Summer 2023 – December 2023

The ‘art of the possible’ & the ‘art of the deliverable’

- **System engagement**
- **Strategic need**
- **Planning considerations**
- **Opportunities development**
- **Zoning & phasing**

Phase Two

January 2024 – Early Spring 2024

Early mobilisation & developing a programme

- **Focusing and refining the opportunities**
- **Developing a high-level strategy and programme of work**
- **Commencing discussions to mobilise projects**

What's next?

Phase A

April 2024 onwards

Delivering the vision (April 2024-March 2026)

- **Developing the architecturally-led masterplan**
- **Project delivery of identified projects**
- **Partnerships development**
- **Submission of outline planning application**
