- To fully understand your project or activity, Parish Councillors may wish to visit your project or activity, prior to it commencing. They may also wish to conduct a site visit once your funded project is underway.
- As a minimum, you will write to confirm receipt of the funding for audit purposes.

8. WHEN TO APPLY

The Parish Council considers applications on an annual basis at its meeting in January.

All applications should be sent to the Clerk by the closing date on the application form.

Only application forms received by this date will be considered at the meeting.

Awards will not exceed the agreed annual budget unless the Parish Council agrees to make an award under exceptional circumstances.

All groups will be treated equally. If an organisation has had a grant previously, they are not guaranteed to receive financial support again, but are not excluded from applying again in a different financial year. A new application will be required for each grant request.

Whalley Parish Council expects applicants to get the best value for money for any equipment, so applicants will need to give a detailed justification if they haven't used the cheapest quotes. Quotes may be checked against market rates.

Grant application deadlines will be announced by the Parish Council, and late applications may not be considered.

All grant applications will be reviewed by Whalley Parish Council with its decision being final.

Unfortunately, the Parish Council may not be able to fund all projects as there may be more applications than there is money available. However, all applications will be considered carefully.

Due account will be taken of the extent to which funding has been sought or secured from other sources or the applicant's own fund-raising activities.

It is not just the role of the Parish Council to award grants. Where possible it actively encourages organisations to seek grants from other agencies to finance projects.
